Introductions for appearing characters that you really, really don't care about other than their names and past info along with really random information like their piercings and such.

High school sophomore. Has been in Akiyama-kun's class since middle school. Currently in a slump from seeing the bond between Shiba and Akiyama-kun and feeling like things are coming to an end. His bullying of those weaker than him has dropped off these days. He has three piercings in his right ear, two in his left ear, one on his tongue, and one on his navel.

High school sophomore. The one Shiba admires. He only comes to school in the afternoon. Even if he comes early, he just dallies the time away in a neighbouring café. He hates coffee. He likes Milo so he always has some ready at his house. Maybe that's why he's so tall. He has two piercings on his left ear.

High school freshman. The boy who loves Akiyama-kun. Because of his unique personality, he has few friends, but he himself doesn't mind. He likes riding his bike for long distances. Before he fell in love with Akiyama-kun he was crazy about modding his bike. In the past, he's been accused of stealing cars and taken into custody. He has a part-time job in a convenience store. He has no piercings.

Mama's 38, and the little sister's in third grade. The mother is a hard-working woman who looks after and raises two children on her own. She has a free personality. The little sister stays at her grandmother's, who lives in the neighbourhood, until dusk. She loves coconut ice cream and pudding cups.

High school sophomores. Kajiwara and Akiyama-kun are in the same class. (The other two are in separate ones.) After high school began, they started hanging out with Akiyama-kun and Sano. Ohta has two piercings on his left ear. Kajiwara has none.

High school freshman. She works with Shiba at the convenience store. She is cheerful and energetic. And when a hot customer comes in, her voice goes up by an octave. She is currently obsessed with Korean idols. She has one piercing on both ears.

↑ The character introduction page I'd drawn for the doujinshi. It was set up so that it includes things I'll use, things I won't use, and sometimes even outright lies (← what kind of setup was this?!). The setup for Sano-kun's piercings was complicated, and I'd completely forgotten about it. What kind of setup is this...? Also, setting Shiba-kun's mama so young surprised me...

Sano Tomomi

He has been in Akyiama's grade since middle school. About 175cm. He's the central figure of Akiyama-kun's group. A bully.

Akiyama Yuuji

Shiba's idol. High school sophomore. He hangs about aimlessly among a group of vulgar friends. He doesn't really come to school. It seems like he boxes, so he's really strong in fights. He's about 180cm tall. He has a reluctant personality, so he's a little weird.

Sano Tomomi

Has been in Akiyama's grade since middle school. About 175cm. The central figure of the "Group of Crazies." When they roughed up Kanno, he was also the one taking the lead. He seems to enjoy teasing others and playing with them. He's the most intimidating among his friends.

FIRST DRAFT OF SANO-KUN

Rough Sketch Page

or the title for the filler page

Shiba Daisuke

At first glance, a normal-seeming high school freshman. In reality, he's a wanderer who gets carried away to the extreme and is kind of stalkerish. He was saved by **AKIYAMA** by coincidence when he was about to be threatened for money, and because of this, he fell in love with him. He's about 170cm, but in the middle of his growth spurt.

↓ FIRST DRAFT OF SHIBA-KUN. AT FIRST, HIS NAME WAS KANNO.

↑ WHAT A STRANGE FACE. KIND OF SCARY..

AT FIRST, HE WAS SET TO WEAR A GAKURAN. BUT I THINK I WANTED TO MAKE IT MORE MODERN SO I CHANGED IT TO A BLAZER.

Kanno Satoshi

A freshman who attends a low-class high school. When he was about to be shaken down, Akiyama saved him, so he is head-over-heels for Akiyama. He's usually very puppy-like, but when he gets carried away he takes very daring actions.

HE COULD'VE STAYED KANNO THE WHOLE TIME, BUT SINCE THE NAME OVERLAPPED WITH SANO-KUN'S, I CHANGED IT.

The Evolution of the Shiba-inu

AS HE TRANS-FORMS FROM MAN TO BEAST, I LOVE SHOWING THE NOSE GET BLACKER AND BLACKER MORE THAN ANYTHING.

↓ THE NAME APPEARED IN THIS SKETCH FROM LONG, LONG AGO. IT SEEMS LIKE SANO-KUN'S ENDING WAS SET SINCE BACK THEN.

これ、読めますか？ ルーペ使って下さい…

① 2010年某日。
〆切近くだというのに、
全く先の見えない
進行状況に
追い詰められつつある
わし。（自業自得）

② 朝4時ごろ。
わしを心配して
でんわしてくれた
ひろちんが、なんと
「手伝うからうちに来なよ」
と言ってくれる。
ひろちん…。
(そしてそのまま
完成したらスーパーじょんさんに届けなよの意)

ドドM特集の時も、この
パターンで
助けてくれたのです

③ 朝イチで名古屋から
関東に向かうわし。
こころよくわしを迎えて
くれたひろちんと
とりあえず空腹を
満たす。このときひろちんはすごくたのしそうだった。
(ひろちんはこの後死んだように
眠り続け、10数時間起きなかった。ちょっと音とか
たててみたりしたけど起きず、
どっか悪くしたのかと本気で心配に)

でもただひたすら寝てただけでした。よかった…

④ 起きた後のひろちんは
超スーパーアシスタント、
ぷりを発揮してくれた。
自分よりずっとトーン
ワークがたくみなので
本当にありがたかった。

しかし肝心のわしの速度が一向に上がらず。
〆切○日前なのに下書きがおわってない…
どうなる!?

⑤「寝たら落ちる」状況。
(ぐったり) この時ひろちんは
ヤバいよヤバいよ〜〜と
思っていたらしい。
わしがそのぐらい
遅々として進まないから…。
なのにほうれい線が
どんどん
濃くなる
から…。
グズ

⑥〆切前日。修羅場が佳境に。
このころになると、寝不足と空腹でもろもろが肉体を飲みつつあり、2人の歩幅は極端に狭くなって、まるでおじいさんのようになってしまう。
ちみたいはげりとひん尿を併発する。

⑦ テンションがおかしくなってくる2人

ちょっと痛いけどきもちいい…みたいなトーンってさあ…
あーこれだとただきもちいいだけになっちゃいとうほしいのは痛いこわい…でもちょっと勃起してるしきもちいいみたいな!

⑧

わしが「終わり」にした1枚に
何も告げずトーンを貼り足してくれるひろちん（ブッブッ叫ながら）

⑨ そんなこんなで。
「ともみちゃん」は完成したのだった。今思い出しても最後のちのテンションにふいてしまう。
しかし、ひろちんはほんとに無償の愛とでも表現できるほどのやさしさと親切で、わしを救ってくれたのです。
ほんとうにほんとうにありがとう。
心の底から感謝している。そして今日もわしは周りの人達
助けられ生きています。
ほんとうにありがとうございます

Thank you for reading this far!
I'm sorry for making it seem like there's a continuation at the end. To tell the truth, I want to draw a continuation. Part of it was because this was a story I'd created in no time as I was working on a business magazine, but I grew attached to the characters, and I want to draw them leisurely, slowly and gradually but persistently, so perhaps one day, it would be wonderful if you find the chance to read its continuation.

It's a bit embarrassing, but with my first original manga book [tankoubon] out, I am now stuffing all of my many, many feelings into this afterword. I'm now drawing manga, which I've loved to do since I was a kid, and I am so moved that I am in an environment where others can read my work. This and everything else is because of all those around me who've always helped me.

Kyuugou-sama, who drew the belt* for me!!
It was a total surprise for me... The cover was so vivid!
I was really happy that you drew my characters so cutely!
I wanted to see an even bigger Tomomi-chan ... haha!
I also cannot express how thankful I am
for the Uke-Seme notes...! Thank you so much!

The three who gave me the guest rough sketches!
I'm sorry for asking them of you so suddenly...
But thank you so much for accepting!!
Manako-san!! Oh no ... I'm so happy that someone
I'm such a big fan of has accepted...! I'm embarrassed
to squeal so much over my own character,
but Akiyama-kun's so hot! Cute!!
Umino-san!! Thank you for the super-awesome rough sketch!
You had a space for every character in there! Everyone's so
cute...! I'm glad you said Shiba-kun's scary, haha!!
Hiro-chin!! Thank you for everything, always. It's so
embarrassingly after-the-fact, but thank you so, so much.
I'm glad you liked Sano-kun. He's so cute!

Yukari-chin, who's supported me for a long time, the book has finally come out! Thank you!
Thank you to all the friends who took time to hang out with me and listen to my complaints and whining!!
Thank you to #&^-san and !@#-san, who've helped me out of tough spots...
Mom, Sis, I'm sorry for always worrying you. Thank you.

To the designer[-sama] who designed a wonderful cover and helped push the book out, to Fusion Product who published this book for me, to everyone in the editing department, to those in charge of the printing, thank you so much!!

And to O-sama, the one in charge!!
If it weren't for O-san, then I wouldn't have drawn the original manga, and I wouldn't have been able to continue to finish it.
I am really glad that O-san was able to supervise this project. Thank you!!

Lastly, to all the readers who read my manga:
Thank you so much for even reading the small print!
Thank you so very, very much! I'd be happy if we met again someday.

Until then!
